YMCA MILTON KEYNES

YMCA MK is home to over 200 young people. We are a local charity supporting 18–35 year olds who have experienced homelessness. We provide a safe place to call home and the practical, emotional and employment support young people need to go on to lead happy, healthy and independent lives.

YMCA MK is in the heart of Central Milton Keynes, located on North Sixth Street, MK9 2NR. Just a short walk from Milton Keynes rail station and 15 minutes from the M1, YMCA MK is the perfect venue for meetings, conferences and events.

There is ample paid parking just outside the building and our wonderful onsite café, HomeGround, is ready to welcome you.

“We’ve used YMCA several times now for conferencing and it is a great venue. We also routinely recommend them to others. The rooms are modern, light and spacious, with access to screens and available in a variety of layouts. There’s access to drinks at all times in their modern kitchen, and their onsite café is only a short walk down a flight of stairs. The staff are always friendly and happy to help with any requests, from booking, throughout the day, and after. The venue is centrally located in Milton Keynes and is easy to get to, with very cheap parking readily available in front of the building. Beyond the conferencing facilities, the money that YMCA generate through these facilities is clearly put to good use, helping to support young people in Milton Keynes - and it’s very clear that the staff really want the best for residents.”

– Liam Clarke, NHS CNWL

“The facilities are modern, bright, and its great to know that the money we are paying is going right back into this amazing charity. It has a more personable feel than most corporate facilities – the conferencing team we know by name and they cannot do enough to make you feel welcome.”

– Rachel Tudhope, Cranswick Foods
